

ICEBERG COSMOS 2025-26

Innovate. Build. Level Up.

A TECHNICAL INNOVATION
& CAREER DEVELOPMENT
SERIES

Powered by: IE(I) Student Chapter, IT,
RCCIIT

A MONTH LONG EVENT
17TH DEC, 2025 TO 6TH JAN,
2026

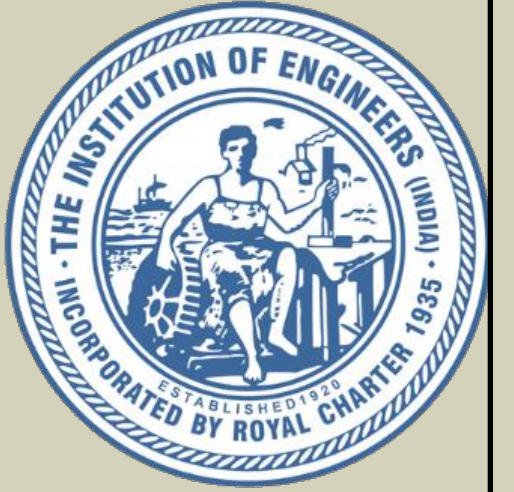

ABOUT RCCIIT

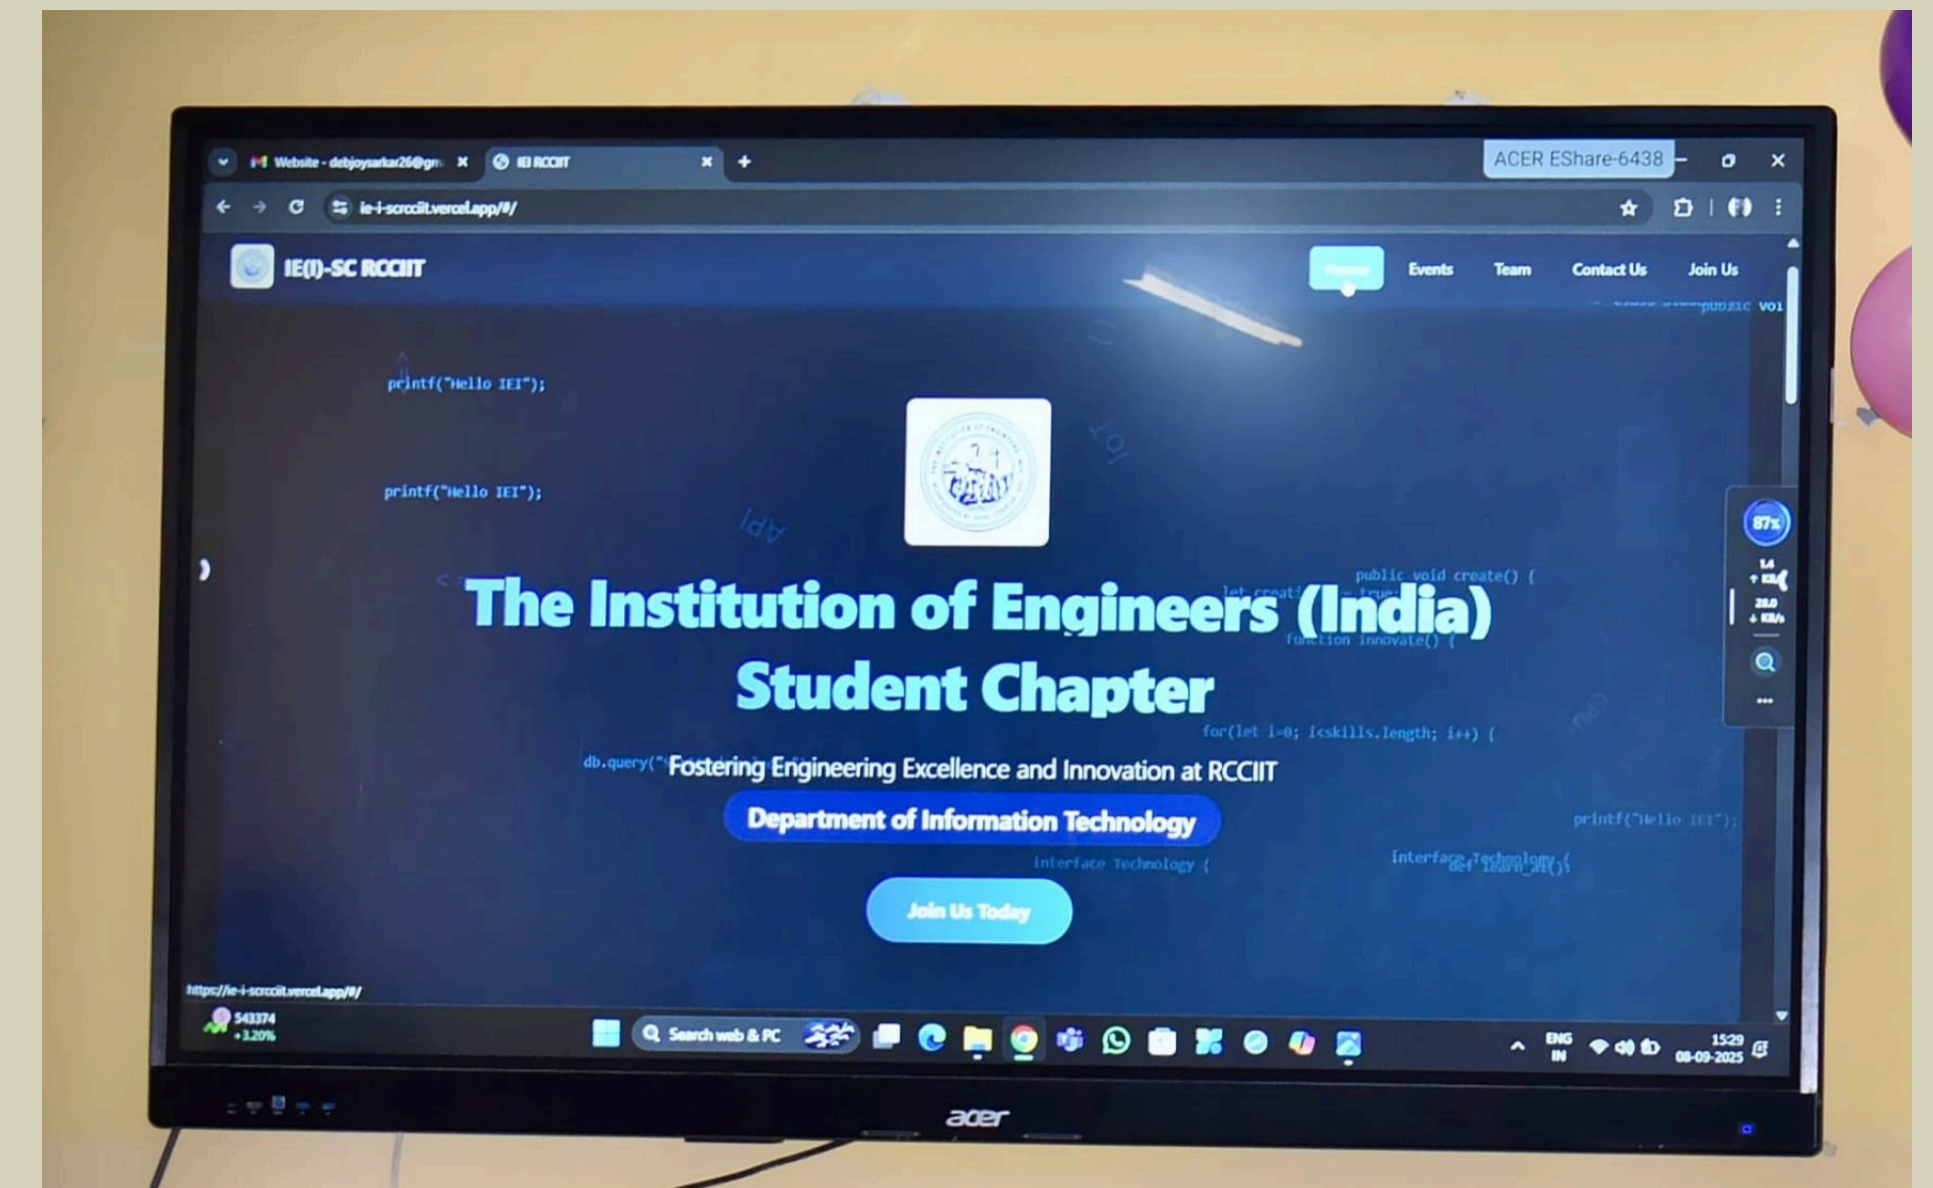

RCC Institute of Information Technology (RCCIIT) is a reputed engineering institution known for its commitment to academic excellence, quality technical education, and holistic student development. The institute offers a conducive learning environment supported by experienced faculty, well-equipped laboratories, and modern infrastructure. With an emphasis on strong fundamentals, research awareness, ethical practices, and professional skill development, RCCIIT strives to prepare students to adapt to evolving technological advancements and industry requirements. The institution encourages continuous learning, discipline, and innovation, fostering graduates who are technically competent and socially responsible.

ABOUT IE(I) STUDENT CHAPTER, IT

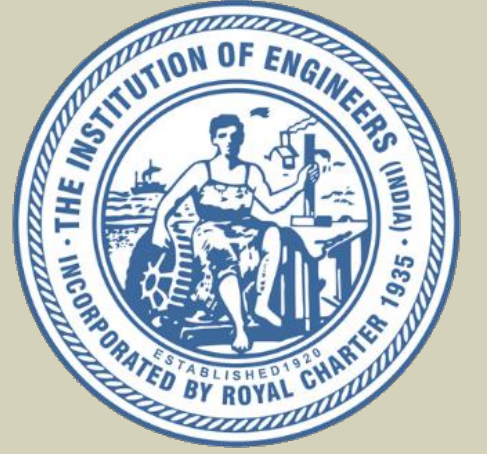

The IE(I) Student Chapter, Department of Information Technology, RCC Institute of Information Technology functions under the banner of the Institution of Engineers (India), aiming to promote technical excellence, professional ethics, and industry-oriented learning among students. The chapter actively organizes technical events, workshops, competitions, and knowledge-sharing sessions that encourage innovation, collaboration, and practical skill development. Through continuous student engagement and faculty guidance, the chapter strives to bridge the gap between academic learning and professional engineering practices.

COLABORATIVE PARTNERS

Supporting Innovation, Learning & Career Development

ICEBERG COSMOS 2025 is proudly organized with the support and collaboration of the following institutional partners, whose guidance and involvement significantly enhance the academic and professional value of the event.

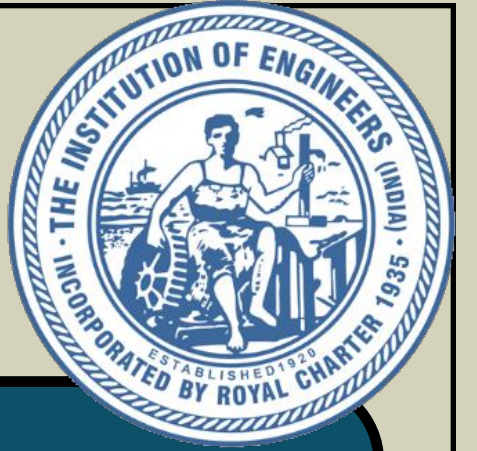

The Centre for Higher Studies (CHS) supports students aspiring for higher education after completing undergraduate programs, providing academic guidance, collaboration, and pathways for advanced studies.

The Institution's Innovation Council (IIC) RCCIIT promotes innovation, entrepreneurship, and problem-solving culture by linking academic learning with real-world challenges and innovation-driven initiatives.

ABOUT ICEBERG COSMOS 2025-26

ICEBERG COSMOS 2025 is a student-driven technical and career development initiative organized by the **IEI Student Chapter, Department of Information Technology, at RCC Institute of Information Technology, in collaboration with IIC RCCIIT and CHS.**

The event follows a year-wise structured approach and marks the beginning of a structured annual technical and career-development **ritual** under the IE(I) SC, IT, RCCIIT, aimed at sustained student growth.

1st-year students gain hands-on exposure to problem-solving and prototyping through ICEBERG HACKS – Freshers Edition '25, which also serves as a foundational introduction to hackathon workflows aligned with Smart Bengal Hackathon (SBH).

2nd-year students strengthen innovation, conceptual clarity, and technical communication through ICEBERG HACKS – Pro Edition '25, the final round of the poster presentation challenge.

3rd-year students focus on career and placement readiness through the LEVEL UP – Workshop '25, featuring expert sessions on industry expectations and skill-based hiring.

Through this tiered structure, ICEBERG COSMOS 2025 promotes innovation, academic growth, and career preparedness while fostering collaboration and practical learning.

ICEBERG HACKS – FRESHERS EDITION '25-26

A structured hackathon designed to introduce first-year students to real-world engineering challenges.

ICEBERG HACKS – PRO EDITION '25-26

The Final Round (Round 2) of the Poster Presentation Challenge, focusing on innovation, feasibility, and concept clarity.

LEVEL UP – WORKSHOP '25-26

A career-oriented workshop featuring expert sessions specially for the 3rd years as a gear-up in the upcoming career.

Iceberg Hacks- Level Up

Event Timeline

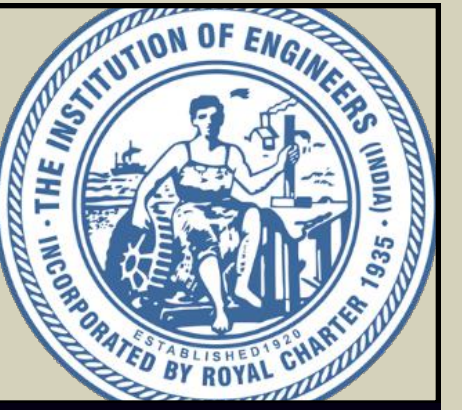

- 17th December – Problem Statements Release
- 5th January – Pro Edition (Poster Final)
- 5th January – Freshers Edition (Hackathon Final)
- 6th January – Level Up Workshop & Prize Distribution

Why Participate?

- Hands-on hackathon experience
- Exposure to industry and academic experts
- Preparation for SBH & placements
- Development of teamwork and leadership skills
- Certificates, awards & recognition

IMPORTANT DATES

ICEBERG COSMOS

ICEBERG HACKS

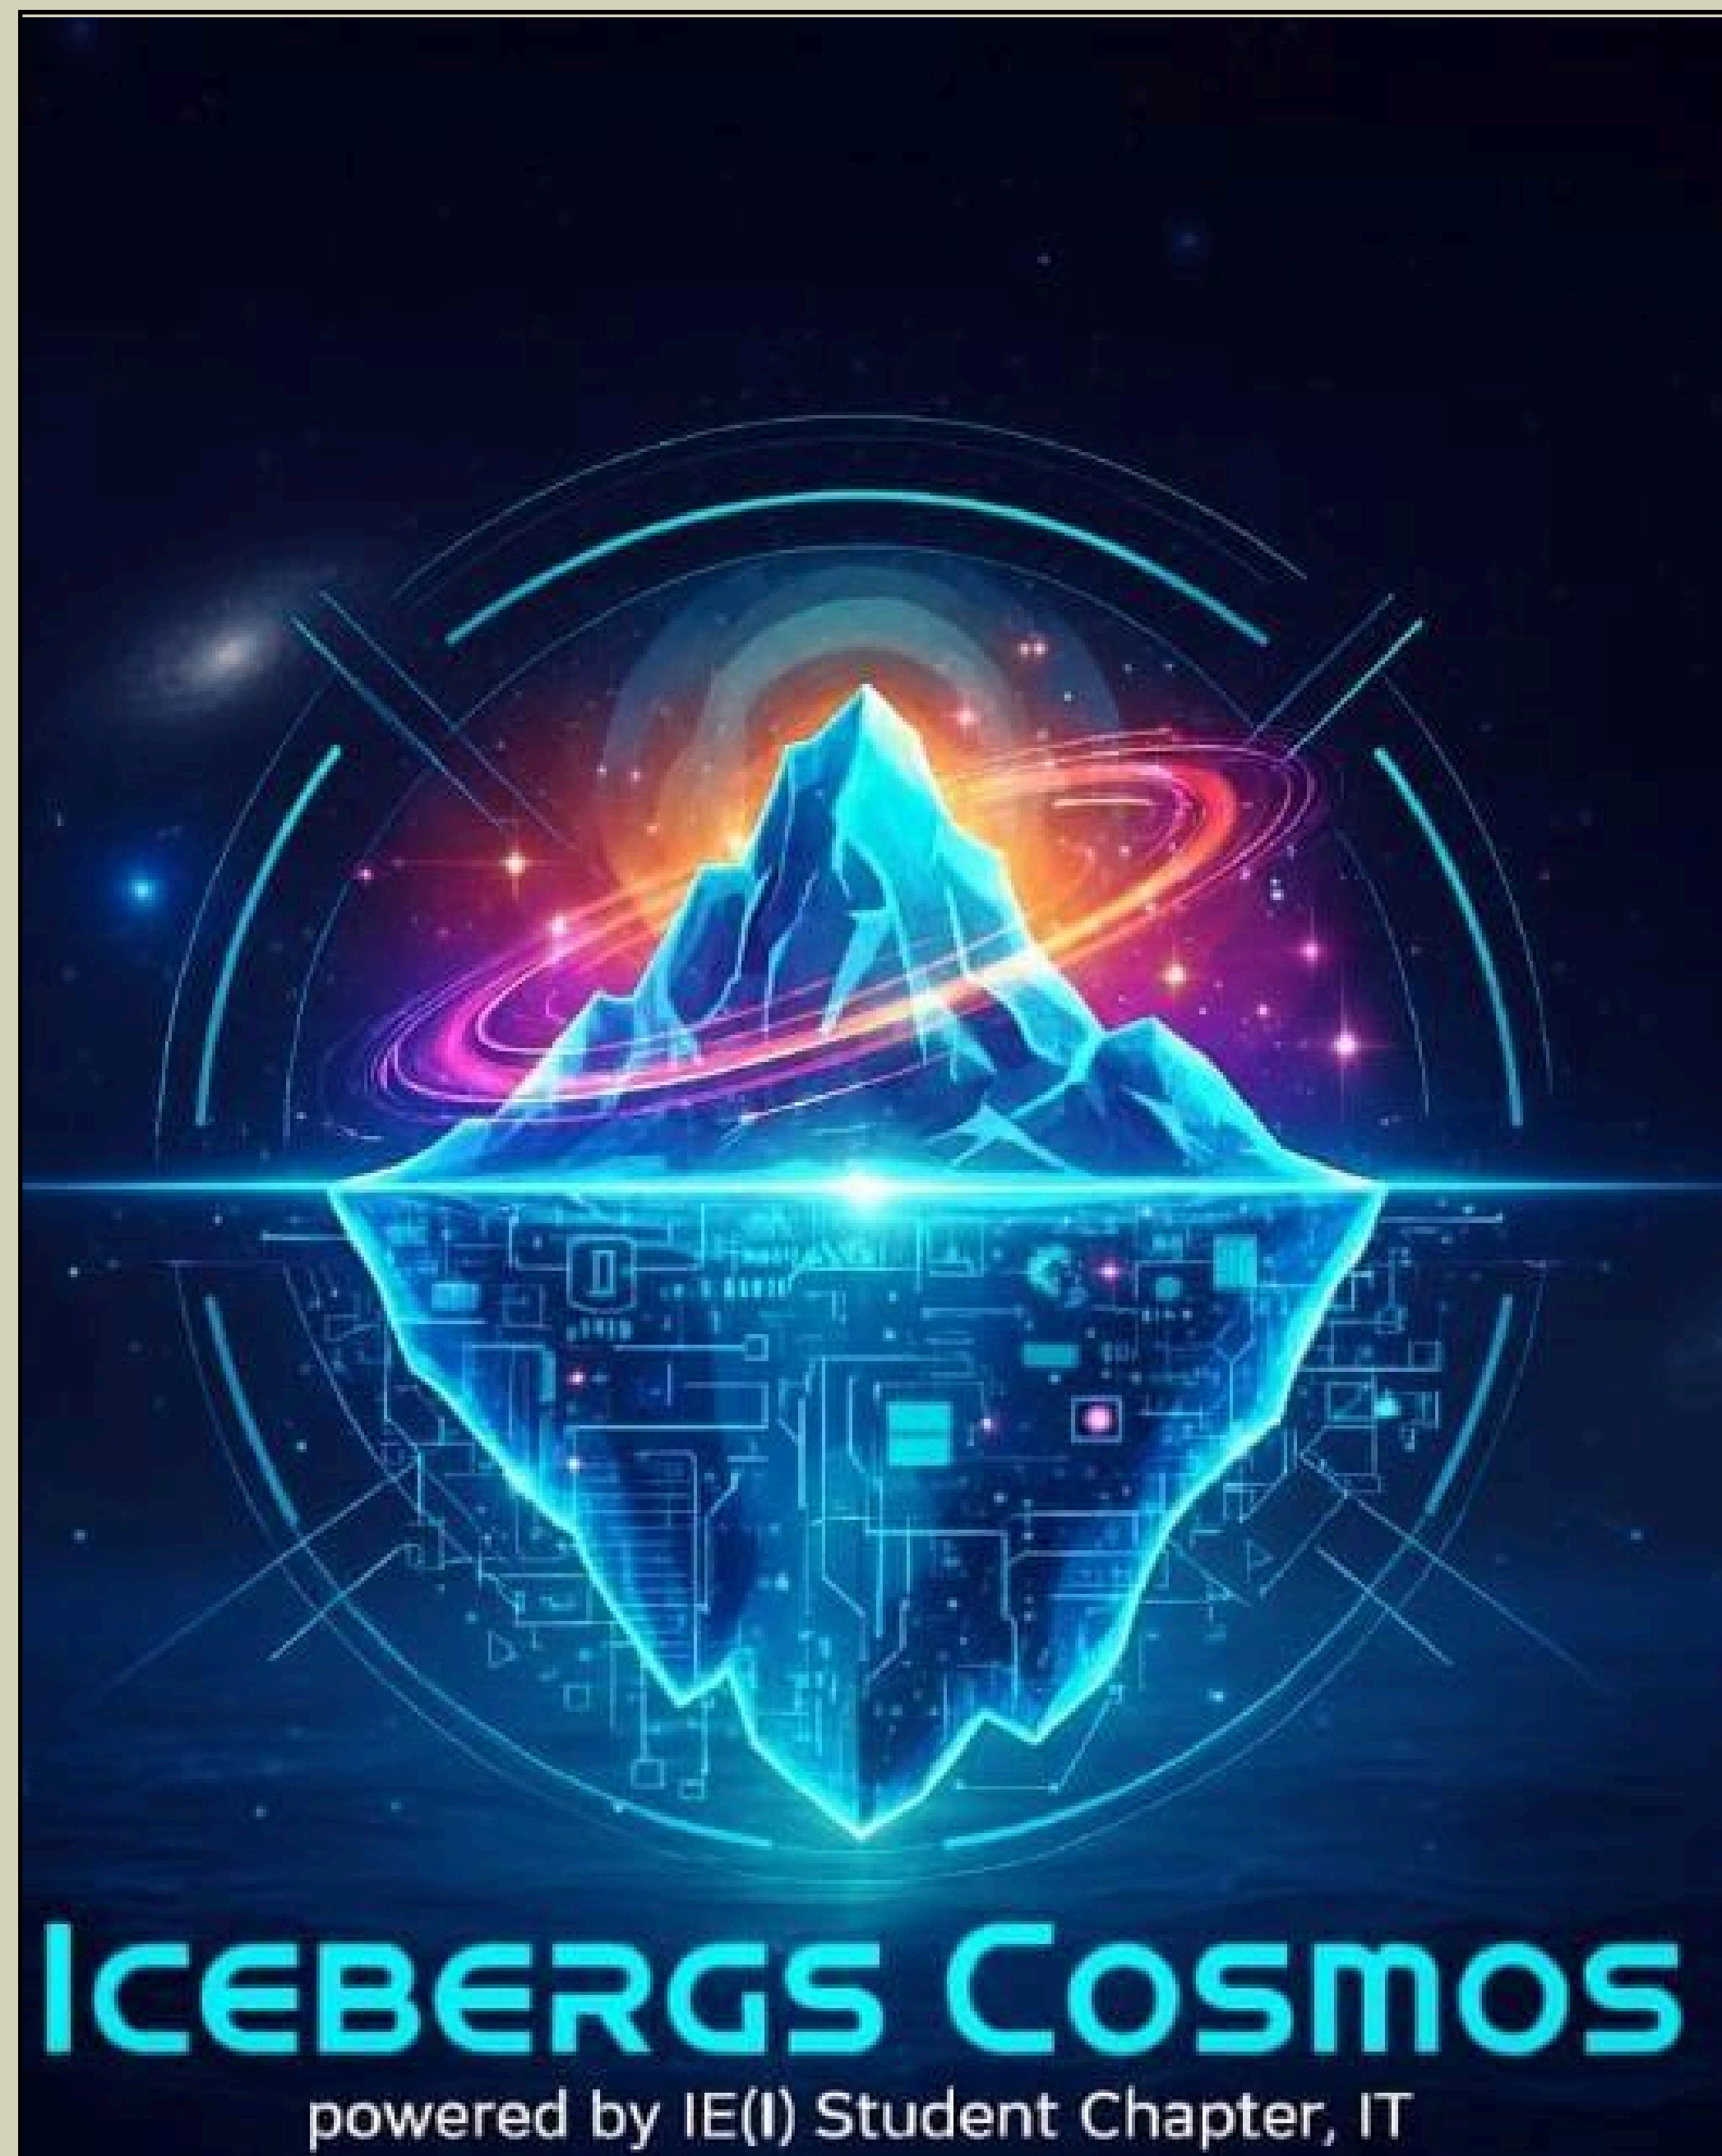

Freshers Edition
5th January, 2026

Pro Edition
5th January, 2026

Level Up
6th January, 2026
